

JOE GARCIA WORKSHOP

APRIL 19-23, 2010

The class will be an exciting interpretation of the use of watercolor. It will be directed toward all levels of students and will cover a wide range of subjects, such as landscape, architecture, and wildlife. Techniques will vary from wet-into-wet to dry brush. If needed, reference will be supplied for each subject or the students can paint from their own reference.

I plan to demonstrate two paintings each day and then work with each student as time allows
